AUDITORS' REPORT

To the Reeve and Councillors Rural Municipality of Victoria Beach Winnipeg, Manitoba

We have audited the balance sheet of the Rural Municipality of Victoria Beach as at December 31, 2008 and the statements of revenue and expenditure, changes in surplus, and source and application of capital fund for the year then ended. These financial statements are the responsibility of the Municipality's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Municipality as at December 31, 2008 and the results of its operations and the changes in its cash flows for the year then ended in accordance with accounting principles generally accepted for municipal corporations in Manitoba as described in note 1 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Municipality and Manitoba Intergovernmental Affairs to comply with Section 183(1) of the Municipal Act. These financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Our audit opinion does not extend to the budget figures presented by the

We have also issued a supplementary report as required under Section 190 of the Municipal Act.

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

DECEMBER 31, 2008

The accompanying financial statements of the Municipality of Victoria Beach and all the information in this annual report are the responsibility of management and have been approved by the Council on behalf of the Municipality.

The financial statements have been prepared by management in accordance with generally accepted accounting principles for Municipalities in Manitoba. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Municipality maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Municipality's assets are appropriately accounted for and adequately safeguarded.

The Municipality's Council is responsible for ensuring that management fulfills its responsiblifies for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

Council reviews the Municipality's financial statements with management and recommends their approval Council and management meet periodically with the external auditors to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. Council reviews their findings when they approve the financial statements on behalf of the municipality's residents.

The financial statements have been audited by The Exchange Chartered Accountants LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. The Exchange Chartered Accountants LLP have full and free access to the Council.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2008

1. Significant accounting policies

The financial statements of the Municipality have been prepared solely for the information and use of the Municipality and Manitoba Intergovernmental Affairs to comply with Section 183(1) of the Municipal Act. Because a precise determination of many assets and liabilities is dependent upon future events, the preparation of financial statements for a period necessarily involves the use of estimates which have been made using careful judgement. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

a) Accrual Accounting

The accrual method of accounting has been used to recognize revenue as it is earned and expenditures as they are incurred, with the exception of interest earned on term deposits which is accounted for on the cash basis.

b) Fixed Assets

Fixed assets are charged to current expenditures in the revenue fund unless financed by grants or reserve funds and are recorded in the capital fund at cost. No depreciation is provided on any of the fixed assets.

c) Reserves

Reserve funds are established by by-law for the purpose of accumulating funds for specific purposes. Appropriations to reserve funds are charged to expenditure in the revenue fund.

d) Requisition Taxes

As directed by the Minister, school levies have been treated as requisition taxes payable instead of expenses. This results in the school requirements being netted against revenue from taxation and grants in lieu with a corresponding elimination of the related expense accounts.

2. Public Sector Compensation Disclosure Act

It is a requirement of the Public Sector Compensation Disclosure Act that annual public disclosure be made of aggregate compensation paid to members of Council, and of individual compensation in an amount exceeding \$50,000 annually to any member of council, officer or employee of the municipality. For the year ended December 31, 2008:

- a) compensation paid to members of council amounted to \$31,788 in aggregate
- b) the following officers or employees received compensation in excess of \$50,000:

Name	Position	Amount
R. Moreau	Chief Administrative Officer	\$63,032
S. MacPherson	Police Chief	51,034

3. Financial Instruments

The Municipality's financial instruments consist of cash, accounts receivable, tax assets, and accounts payable, accrued liabilities and debentures. Unless otherwise noted, it is management's opinion that the Municipality is not exposed to significant interest, currency or credit risks arising from these financial instruments. For cash, accounts receivable, tax assets, and accounts payable, accrued liabilities and debentures the fair value of these financial instruments approximate their carrying values.

4. Tangible Capital Assets

The Municipality is in the process of implementing the new accounting requirements for tangible capital assets, as recommended by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants. The new requirements for tangible capital assets come into effect starting on January 1, 2009.

As at December 31, 2008 the Municipality has identified and valued all their tangible capital assets.

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Donated assets are recorded at their estimated fair value upon acquisition. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. Certain assets are disclosed at a nominal value as the determination of current fair

market value was not available. The Municipality does not capitalize interest charges as part of the cost of its tangible capital assets.

The cost, less residual value, of the tangible capital asset is amortized on a straight line basis over its useful life. Assets under construction are not amortized until the asset is put into use. No amortization has been recorded in the financial statements.

The estimated useful lives are as follows:

General Tangible Capital Assets

Land	Indefinite
Land Improvements	10 to 30
Buildings and leasehold improvements	years
Buildings	25 to 40
	years
Leasehold improvements	Life of lease
Vehicles and Equipment	
Vehicles	5 years
Machinery, equipment and furniture	10 to 20
	years
Maintenance and road construction equipment	15 years
Computer Hardware and Software	4 years

Certain assets which have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the municipality, forests, water, and other natural resources are not recognized as tangible capital assets.
